You won't believe how quickly Jesus healed this boy!

## HIS *Healing Power* IN INDIA

In April, we took our entire Indian staff and families on an outing at “Dizzie World”, an amusement and water park. **Everyone was having fun and being carefree, until an accident happened.**

Durai, pictured above, slipped on the tile while running from the pool to the water slide. **He hit the back of his head and he could not be roused.** An attendant came running and took him from his mother who had him hanging limply in her arms. *He appeared lifeless and was not breathing.*

While the attendant was giving Durai mouth-to-mouth resuscitation, Gerri held on to the mother of Durai while she sobbed. Gerri prayed, “Father, You have wonderful plans for Durai’s life. Satan be gone. Durai belongs to Jesus and our family fun day will not be ended by you in the Name of Jesus!”

**While Gerri ministered to the mother, I stepped in and laid my hand on Durai’s chest and yelled out, “Son, in the name of Jesus, breathe!”**

***Immediately Durai began to breathe!*** Within a short time Durai was up and about and ready to play at the amusement park again! **We all continued to celebrate at Dizzie World with Durai having ice cream!** Praise God for our abundant life!

## MORE HEALING POWER...

One morning while having breakfast in a small village, a young father came to us with a written report of his daughter's brain CT Scan. **She had been diagnosed with Encephalitis and Seizures and she was taking very potent medicine.**

We took time to teach this young man who he was in Christ, especially about his authority. We taught him that he is the spiritual head of his family and we taught him how to pray. **We prayed with him for his daughter believing she was healed.**

Two days later this young man traveled over 100 miles of dirt roads on his motor bike to bring us his daughter's new CT Scan report. It was PERFECT! Praise the Lord!

**We are very excited to return to India at the end of this month!** We miss the Andrew Wommack Ministries and Charis Bible College India team, all our Indian friends and our ministry in India very much.

We are so thankful to you, our friends and partners, for supporting us to do the work of the ministry in India. You are truly a *blessing!*
