A LIGHT SHINES *in the darkness*

Has anyone ever jumped up and yelled bad things at your church?

What would you do if that happened? *Especially if you were the one preaching and in charge of the church service!?*

We recently went to preach at some churches in a small village in India. And right as I started to preach in one of the services, a young man jumped up and frantically started yelling that people were coming to the church to kill the pastor! I quickly realized that this was just a demonic manifestation, **and as I commanded the demons to leave, the young man mellowed out like melted butter!**

AN INDIAN OFFERING...

AS YOU SEE BELOW, IT WAS JUST WOMEN IN ONE OF THE CHURCH SERVICES!

ITS RICE HARVESTING TIME HERE IN INDIA, AND IF ANY MAN HAS A JOB HE'S OUT IN THE FIELDS WORKING WHILE HIS WIFE AND KIDS GO TO CHURCH.

AND THESE WOMEN WERE SO GRATEFUL TO BE IN CHURCH, THAT THEY BROUGHT CUPS OF RICE TO GIVE TO US SINCE THEY HAD NO MONEY... TALK ABOUT A LOVE FOR GOD!

After that we loved on him and even let him sleep at the church that night... **and the very next day he received Jesus as Lord!** **When I saw him he was reading a Bible in his language that was given to him!**

That young man was not a bad person. He just had a problem that only Jesus could solve!

In fact, the Word tells us that demonic oppression, sickness, disease, and poverty are all symptoms of the curse. These are all things that Jesus died to set you, me and all the people in India free from!

We believe that the people of India need to know they can live free from demonic oppression and so many other curses, just like that young man learned! But we need your help to share the good teaching about what Jesus has done.

We are not afraid to bring the light into the darkness... please join with us this month and as we take this redeeming Love to them!

P.S. We just completed our first water well in the "Living Waters" project... more details on that coming next month!
